

Microsoft Partner Network™

Vancouver, Canada, 2011 Oct 14 – Spot Solutions announced today it has achieved Gold Certification from Microsoft® in
Web Development, &
Digital Marketing (a SharePoint proficiency)

Microsoft® Partner

Gold Web Development
Gold Digital Marketing

To earn Gold Certification, Spot Solutions had to meet rigorous standards for Web Development and Digital Marketing competency, including revenue, service, support and customer satisfaction requirements set forth by Microsoft.

Spot Solutions via Bruce White, Sales and Marketing, is proud of this achievement which confirms Spot's commitment to excellence in software development and the Microsoft platform itself.

Partners who achieve Gold status have demonstrated the highest commitment to the relevant technologies and commitment to that business solution.

By acquiring the competency, Spot Solutions has demonstrated its ability to meet stringent

Microsoft PartnerNetwork™

technology and customer satisfaction requirements set forth by Microsoft in order to provide best in class Microsoft based solutions to our customers.

As a Microsoft Gold Competency Partner, Spot Solutions has met the requirements for attaining the broadest range of expertise across multiple technologies aligned to the competency.
