

Spot Solutions Announces Achievement of Microsoft Gold Certified Partner Level

Spot Solutions seeks to further leverage Microsoft partnership opportunities.

For Immediate Release

Vancouver, BC and Redmond, WA— October 7, 2008 — Spot Solutions Ltd. (www.spotsolutions.com), a prominent custom software development and support firm, announced today achievement of Gold Certified Partner Level with Microsoft Corporation (www.microsoft.com).

Spot Solutions is proud to announce its Microsoft Gold Certified Partner status as an Independent Software Vendor. Spot's business continues to be centred around Microsoft technologies, with a particular emphasis on the creation of custom software applications using MS .NET framework, SQL Server databases, and SharePoint Server portals to create web-based software for its expanding client base. Spot Solutions President, Cy Naumenko, says, "We see a great future in Microsoft technologies. They are still the industry standard, and with the growing popularity of SharePoint and SQL Server we only expect this market domination to increase." Spot intends to leverage Microsoft's vast partner resources to expand its marketing and business development initiatives.
