

Spot Announces Channel Partnership with Epicor Software

Spot to deploy its Microsoft .NET programming experience in the implementation of Epicor Software

For Immediate Release

Vancouver, BC and Irvine, CA — October 27, 2008 — Spot Solutions Ltd. (www.spotsolutions.com), a prominent custom software development and support firm, announced today its partnership With Epicor Software Corporation (NASDAQ: EPIC), a leading provider of enterprise business software solutions for the midmarket and divisions of Global 1000 companies.

Spot Solutions will be an active member in Epicor's Channel Partner Program, which will allow Spot to leverage Epicor's extensive sales, marketing and support program in the implementation of Epicor's software solutions. Spot Solutions President, Cy Naumenko, sees great value in the partnership. He feels that, "Spot will be able to deploy its extensive knowledge of Microsoft's .NET framework in the customization and implementation of Epicor software. This should allow Spot to reach a wider customer base in the private sector."
